

A I C GENEVA 2022

IAC 2022 CONGRESS -- MELTING POT
12-16 SEPTEMBER 2022 -- GENEVA, SWITZERLAND

Keynote Lecture: The Potter God and Creator in Pharaonic Egypt

Youri Volokhine, Egyptologist and Research Professor in History of Religions at the University of Geneva (Switzerland)

BIOGRAPHY

Doctor ès lettres in history of religions (1998) and specialist in ancient Egypt, Youri Volokhine was a scientific member of the Institut français d'archéologie Orientale (Cairo) from 2000 to 2002. Since 2004, he has been a teaching and research professor in the history of religions (University of Geneva). He is the author of numerous scientific articles and several monographs, the latest being "Le porc en Egypte ancienne. Mythes et histoire à l'origine des interdits alimentaires", Presses Universitaires de Liège (Coll. Religions, 3), Liège, 2014. He devotes his research to the anthropological approach of pharaonic religion.
